

## A VERY BARI MINUTE

Featuring: Raz AT600 Bariatric Rehab Tilt Commode

Welcome back to A Very Bari Minute, a series all about bariatrics and the specialized equipment that's out in the marketplace today! January's product feature is the **Raz AT600 Bariatric Rehab Tilt Commode!** This commode is extremely customizable and durable, it is great for commode users with complex needs.

### Product Highlights

#### 1. Back Tilt

The Raz AT600 comes standard with 25 degrees of tilt. This is activated using two gas struts on either side below the seat.

#### 2. Size Options

Molded 23" x 18" and 26" x 18" seats come standard. Custom padded and different size seats are available.

#### 3. Symphony Backrest

Common and helpful add-ons include symphony hard-shell backrest. This is great for both the longevity of the chair and the comfort of the user.
