

BENTLEY LT

LIGHTWEIGHT aluminum frame

NEW

The lightweight *Bentley LT* offers up to 20° of tilt from the front of the seat. This allows you to keep your **feet on the ground** even while the chair is fully tilted.

The chair's rigid frame offers **superior stability** and rolling performance.

The lightweight design combines the benefits of tilt with a high degree of **mobility independence**.

Bentley exclusive features

- ✓ Foot and hand propel in tilt position with no knee-rise
- ✓ Short wheelbase for maneuverability
- ✓ Adjustable rear axle position to move center of gravity

Available options

- ✓ Transit tie downs WC19 & ISO7176-19
- ✓ 30° manual dynamic recline
- ✓ Easy-Out front rigging
