HME SIGNATURE SERIES SWAN MATTRESS

INDIVIDUALIZED CARE & COMFORT

HME SIGNATURE SERIES SWAN MATTRESS

CREATED FOR STABILITY & COMFORT

The HME Signature Series Swan is a true low-air loss mattress that was clinically designed for high-risk complex clients to minimize agitation, elevate skin protection, and promote restorative sleep. Designed with clinicians in mind, the HME Swan offers a user-friendly experience with its intuitive design and state-of-the-art functions such as an 'Auto-Detect' feature that automatically configures optimal pressure, streamlining setup and reducing the need for ongoing maintenance.

- **TRUE LOW AIR LOSS:**
continuous high airflow to control temperature and humidity.
- **AUTO - DETECT:**
Sets the optimal pressure and eliminates the need for caregiver adjustments.
- **ALTERNATING PRESSURE THERAPY**
1-in-3 air cells alternatively inflate and deflate to promote safe offloading of air pressure and stability of user.
- **EASYCOVER:**
Cover easily removed for cleaning/disinfecting and can be laundered. Ease of cleaning ensures infection protection.
- **AUTOMATIC AUTO FOWLER:**
Adds extra air to support the hips and lower back when the head of the bed is raised above 30 degree angle.
