# Defender Reha CAN

The Special Needs 2-in-1 CarSeat Solution  
Helping Families Enjoy Safe Travelling

Thomashilfen & harmony are two family owned companies passionate about providing safe and comfortable products. We are committed to developing and delivering products that help families enjoy safely travelling together.

## Let us **move** you!

“The Defender Reha allows children with special needs 360° of impact protection. The head, trunk and thighs supports, combined with our unique accessories, offer many positioning options. The seat allows for growth while remaining narrow enough for a second car seat as well as another child to fit in the back seat.”

Thomashilfen

Ultra plush seat pad made with durable premium fabrics and extra foam for maximum comfort is removable for machine washing

**Lateral trunk supports** for an upright, stable sitting position

9-position, 1-hand height adjustable headrest

**Head support** holds the child's head safely in place

Deep, supportive headrest, backrest and seat base for 360° impact protection

Chest clip and soft harness covers included

**Lateral side supports** are removable to adjust seat width for plenty of room for the child to grow with the seat

Cup/snack holder swivels and can easily be installed on either armrest

The no-threaded 5-point harness provides additional support in Booster Mode for children weighing 40 to 110 lbs. Small crotch pad included.

**SWIVEL BASE** option for easier transfer in **BOOSTER MODE**

Positioning-options **INCLUSIVE**

Smooth up-front harness adjuster
